Notes													
1. Program tuition and total program cost are based upon standard full-time program length. Standard full-time undergraduate program length is based on average of 15 credit hours per quarter. For Associate's Program, four Quarters at 13.5 credits and two Quarters at 18 credits = 90 credits. For Bachelor's Program, eight Quarters at 13.5 credits and four Quarters at 18 credits = 180 credits. Actual amounts will be based upon actual program length, which may vary due to transferred credits, or repeated courses. Repeated courses, not averaging 15 credit hours per quarter, and part-time status (taking less than 12 credit hours) will increase program tuition and total program cost. 2. Students who graduate from the Associate of Arts Degree in Business Administration and enroll into an AIU Bachelor's Degree Program (other than Bachelor's Degree Completion Programs) may be required to take additional courses to satisfy program requirements. Taking additional courses will increase program length, program tuition, and total program costs. 3. Full-time tuition cost per quarter is based on credit hour load between 12 to 18 credits. 4. Student taking more than 18 credit hours during a quarter will be charged on a full-time per credit hour basis for all credits taken. 5. Students taking less than 12 credit hours during a quarter will be charged on a part-time per credit hour basis. 6. The part-time per credit hour rate includes a tuition premium, except Criminal Justice Program. 7. Students taking less than 12 credit hours during the June five week Summer intercession will not incur the part-time per credit hour tuition premium and will be charged on a full-time per credit hour basis (see above 19+ credits full-time charge*). 8. The application fee is a one time fee that may only be waived in certain circumstances. The application fee may only be waived for students who are: re-entering; re-enrolling; enrolling with established articulation or Education Partner agreements; AIU Alumni; transferring from a CEC sponsored school; or for attendance at university-sponsored career events. 9. Custom suite of course materials for Virtual Campus online courses are provided to the student by Words of Wisdom, LLC. At the University's discretion, books may be delivered in an electronic (e-Book) or standard textbook format. Students not wishing to use e-Books are responsible for any additional charges associated with purchasing standard textbooks. 10. Bachelor's Degree Completion Programs – Refer to the Degree Completion Program section in the catalog for entrance requirements. 11. As of June 1, 2009, AIU Atlanta will not be accepting any new applications for the Master's Degree in Information Technology Program. AIU reserves the right to make changes at any time to the amount of tuition and fees, as set forth in the Enrollment Agreement. Notice of changes will be communicated in a revised catalog, an addendum, or supplement to the catalog, or other written format.
