*The tuition per academic term cost is calculated based on dividing the number of terms in the program (approximately 8 for AS or 15 for BA/BS/BFA) by the estimated total cost of the program. The tuition per academic term is based on 12 credits per term. The actual tuition costs will vary depending on the number of credits taken during each term and the level of the class.

** Books, software and supplies include a custom suite of products which are provided to the student by Words of Wisdom, LLC. At the college's discretion, books may be delivered in an electronic or standard textbook format. If a student cancels enrollment prior to the start, \$250 will be charged for books and supplies previously received until such materials are returned to Words of Wisdom, LLC. Books, software and supplies are automatically shipped to the student by the Academy's online supplier based on course registration each session unless the student notifies the Academy of a desire to opt out. The Material Opt-Out Form must be submitted to the Director of Education and the request must be made prior to the start of the degree program.
