Notes	
<ol style="list-style-type: none"> 1. Program tuition and total program cost are based upon standard full-time program length. Standard full-time undergraduate program length is based on an average of 15 credit hours per quarter. For Associate Program, four quarters at 13.5 credits and two quarters at 18 credits = 90 credits. For Bachelor's Program, eight quarters at 13.5 credits and four quarters at 18 credits = 180 credits. Actual amounts will be based upon actual program length, which may vary due to transferred credits, or repeated courses. Repeated courses, not averaging 15 credit hours per quarter, and part-time status (taking less than 12 credit hours) will increase program tuition and total program cost. 2. Students who graduate from the Associate Degree Programs and enroll into an AIU Baccalaureate Degree Program (other than same program in the Baccalaureate Degree Programs) may be required to take additional courses to satisfy program requirements. Taking additional courses will increase program length, program tuition, and total program costs. 3. Full-time tuition cost per quarter is based on credit-hour load between 12 and 18 credits. 4. Students taking more than 18 credit hours during a quarter will be charged on a full-time per-credit-hour basis for all credits taken. 5. Students taking less than 12 credit hours during a quarter will be charged on a part-time per-credit-hour basis. 6. The part-time per-credit-hour rate includes a tuition premium, except Criminal Justice program. 7. Students taking less than 12 credit hours during the June five-week Summer intersession will not incur the part-time per-credit-hour tuition premium and will be charged on a full-time per-credit-hour basis (see above 19+ credits full-time charge.) 8. The application fee is a one-time fee that may only be waived in certain circumstances. The application fee may only be waived for students who are: re-entering; re-enrolling; enrolling with established articulation or Educational Alliances Center agreements; AIU Alumni; transferring from a CEC-sponsored school; or a CEC employee. Updated on April 19, 2012. 9. Custom suite of course materials for Virtual Campus online courses are provided to the student by Words of Wisdom, LLC. At the University's discretion, books may be delivered in an electronic (e-Book) or standard textbook format. Students not wishing to use e-Books are responsible for any additional charges associated with purchasing standard textbooks. 10. Graduation Fee includes administrative costs associated with graduation activities (ceremony, diploma, etc.). <p>AIU reserves the right to make changes at any time to the amount of tuition and fees, as set forth in the Enrollment Agreement. Notice of changes will be communicated in a revised catalog, an addendum, or supplement to the catalog, or other written format.</p>
